

The Ram Mandir (ISO: Rāma Ma dira, lit. 'Rama Temple') is a partially constructed Hindu temple complex in Ayodhya, Uttar Pradesh, India.[6][7] Many Hindus believe that it is located at the site of Ram Janmabhoomi, the mythical birthplace of Rama,[c] a principal deity of Hinduism.[8][9][10] The temple was inaugurated[7] on 22 January 2024 after a prana pratishtha (consecration) ceremony.[6][10] On the first day of its opening, following the consecration, the temple received a rush of over half a million visitors,[11] and after a month, the number of daily visitors was reported to be between 100,000 and 150,000.[12]
